

****ATTENTION** PUBLIC GATHERING INCREASES RISK OF INFECTION**

Laramie County policies limit public gathering

The State of Wyoming and the CDC recommend reducing public gathering. Laramie County has instituted procedures to do so. *Though the County Courthouse will remain open for the Circuit and District Courts, In-person conduct of business is significantly reduced or eliminated. All County agencies are directing the public to avoid in-person conduct of County business and each provide multiple ways to conduct business remotely. “Walk-in” service will not be available or is strictly limited to in County agencies. **Check on-line or by calling before going to the agency.** Each agency has different procedures-including “**BY APPOINTMENT ONLY**” in many cases. Please read carefully and/or contact as directed, for any agency you intend to use.*

Laramie County is committed to continue serving the community, however, due to the rapid developments relating to the COVID-19 virus, these safety measures are implemented to protect our employees as well as the community.

We are encouraging our community to follow the guidelines outlined by the Center for Disease Control (CDC) to minimize the spread and risks of COVID-19 by practicing social distancing, remaining home if you are feeling ill or if you are in an “at risk” category.
