Candidates reminded to file campaign contributions report by Oct. 30

The Laramie County Clerk's office reminds candidates for county and city offices, school and college board of the October 30 filing deadline for the required campaign contributions report. The report, which lists candidates' campaign contributions through Oct. 23, must be filed in the Clerk's office. *(Candidates for state offices file with the Secretary of State.)*

"Candidates are required to file this report, even if they did not raise money or accept contributions to their campaigns," said Laramie County Clerk Debra Lee.

State law provides civil penalties of \$200 for candidates and their campaign committees who fail to file the report.

Candidates who have questions on the campaign finance report may call the clerk's election office at (307) 633-4242.
