Special Laramie County Commissioner Board Meeting

The Laramie County Commissioners will be holding a Special Board meeting on Wednesday, March 25, 2020 at 1:00 pm to announce their choice for the New Laramie County Commissioner to complete the vacant term of Amber Ash, which will expire on December 31, 2020. The New Commissioner will be sworn in during that meeting as well.

Due to the rapid developments relating to the COVID-19 virus, safety measures have been implemented to protect our employees as well as the community. Laramie County will be video recording and live streaming this meeting as we have always done and encourage our community to view the announcement and swearing in ceremony through our live streaming process which is easily accessed via our website at laramiecounty.com.
